From the President...

As we welcome in a brand New Year, we'll have our first meeting of 2019 on **Wednesday, January 9 at 6pm at the Elks Lodge in Santa Barbara**. Plan on attending as we have several important issues before us. Secretary Tom Elliott departs on a long cruise in late January and doesn't return until early March. Rik Peirson has volunteered to be interim secretary until Tom returns. Treasurer Chris Galbraith also departs on a vacation that will keep him away for quite some time and he feels it best to turn over the reins to someone else as he will not be able available. For the moment, Patricia Rumpza will step in as interim treasurer until our election in April.

As 2018 was winding down, we were saddened by the loss of two of our members: Frank Gunther and William "Bill" Stewart. Then, in early December, we learned of the sudden death of Santiago Perez, co-owner of Thomas Towing, following an industrial accident in Santa Barbara. Santiago—a Marine Vet—had towed our Huey helicopter many times over the past years and was always considered to be one of our family. He leaves behind a wife and two young children. Most recently, I was informed of the passing of Gordon "Gordy" Mezzo of Goleta, a Vietnam Veteran who was a one-time member of 218. Our condolences to all the families concerned.

**VVA National converts all members to Life Member status:** In recognition of the fact that the number of surviving Vietnam Veterans is slowly beginning to dwindle, the national office took the gracious step in late 2018 of converting all members to Life status. And the only fee any newcomer will pay is a flat \$50. If you are currently paying \$20 per year for membership, you'll automatically become a Life member when you've reached the \$50 fee. If you've already surpassed that amount, you'll be notified by the national office of your change of status and will no longer pay any dues. Eventually every chapter will have only Life members. This is certainly a welcome change and will make it much more appealing to encourage new members. And to make it is as easy as possible to join, our chapter is prepared to help anyone with the fee should they need it.

**Alto Lucero Convalescence Center, 3880 Via Lucero, Santa Barbara** has about 10 Veterans who would welcome someone to drop by and talk with them. Call the center for visiting hours: (805) 687-6651.

**IRS encourages certain Vets to file amended returns:** Thanks to the Combat-Injured Veterans Tax Fairness Act of 2016, certain Veterans who paid taxes on disability severance payments received after 1/17/1991 may file amended returns to claim a refund. *(Cont'd on page 2)*

Veterans can submit Form 1040X that reflects the actual amount of their disability severance payment or use a simplified method. Veterans using this method should write “Disability Severance Payment” on line 15 of Form 1040X and enter on lines 15 and 22 a standard refund amount (\$1,750 for 1991-2005); \$2,400 for 2006-2010 and \$3,200 for 2011-2016). All Veterans claiming refunds should write either “Veteran Disability Service” or “St. Clair claim” across the top of the front page of Form 1040X. Claims must be made within the normal three-year statute of limitations period or one year from the date of a letter sent by the Department of Defense, whichever expires later. (This info from an IRS news release of 2018).
